the case of a residential loan, from the loan issue date; or

(6) The participant dies.

(b) If a taxable distribution occurs in accordance with paragraph (a) of this section, the Board will notify the participant of the amount and date of the distribution. The Board will report the distribution to the Internal Revenue Service as income for the year in which it occurs.

(c) If a participant dies and a taxable distribution occurs in accordance with paragraph (a) of this section, the Board will notify the participant's estate of the amount and date of the distribution. Neither the estate nor any other person, including a beneficiary, may repay the loan of a deceased participant, nor can the funds be returned to the TSP.

(d) If, because of Board or TSP record keeper error, a TSP loan is declared a taxable distribution under circumstances that make such a declaration inconsistent with this part, or inconsistent with other procedures established by the Board or TSP record keeper in connection with the TSP loan program, the taxable distribution will be reversed. The participant will be provided an opportunity to reinstate loan payments or repay in full the outstanding balance on the loan.

§ 1655.16 Reamortization.

(a) A participant may request reamortization of a loan at any time to change the amount of the payments, unless the loan is in a default status.

(b) Upon reamortization, the outstanding principal balance remains the same. Any accrued interest is paid off first before payments are applied to principal and current interest.

(c) The interest rate on a reamortized loan will be the same as the interest rate on the original loan.

(d) A participant may request reamortization by using the TSP Web site or by contacting a TSPSO participant service representative.

(e) When a participant's pay cycle changes for any reason, he or she should request a reamortization to adjust the scheduled payment to an

equivalent amount in the new pay cycle. If the new pay cycle results in fewer payments per year and the participant does not reamortize the loan, the loan may be declared a taxable distribution pursuant to § 1655.15(a)(3).

§ 1655.17 Prepayment.

(a) A participant may repay a loan in full, without a penalty, at any time before the declaration of a taxable distribution under § 1655.15, unless the participant has separated from Government service and has submitted a signed statement that he or she has forfeited the right to repay the loan in full. Repayment in full means receipt by the TSP record keeper of a payment, by personal check or guaranteed funds made payable to the Thrift Savings Plan, of all principal and interest due on the loan.

(b) If a participant returns a loan check to the TSP record keeper, it will be treated as a repayment; however, additional interest may be owed, which, if not paid, could result in a taxable distribution. The loan, even though repaid, will also be taken into account in determining the maximum amount available for future loans, in accordance with § 1655.6(b).

(c) The amount outstanding on a loan can be obtained from the TSP Web site, the ThriftLine, or a TSPSO participant service representative, or by a written request to the TSP record keeper.

§ 1655.18 Spousal rights.

(a) *Spouse of CSRS participant.* (1) Before a loan is disbursed to a CSRS participant, the TSP record keeper will send a notice to the participant's current spouse that the participant has applied for a loan.

(2) A CSRS participant may obtain an exception to the requirement described in paragraph (a)(1) of this section if the participant establishes, to the satisfaction of the Executive Director, that the spouse's whereabouts are unknown as described in paragraph (c) of this section.

(b) *Spouse of FERS or uniformed services participant.* (1) Before a loan agreement is approved for a FERS or uniformed services participant, the spouse must consent to the loan by signing the loan agreement.
